Note

Mounting Your Wireless Door Chime

1. Drill a 1/4-inch hole and insert an anchor.
2. Screw an M 3.5 screw into the anchor, leaving the head extended about 1/8-inch.
3. Align the Wireless Door Chime's rear keyhole slot to the screw head and slide the chime down to lock in place.

You can also view the mounting video at www.RadioShack.com.

Wireless Door Chime Components

The Wireless Door Chime system consists of the following components:

- Wireless Door Chime
- Remote Doorbell 1
- Remote Doorbell 2
- Batteries (included)

The Wireless Door Chime system is designed to be easy to install and use. The chime is mounted on the wall, and the remote doorbells are placed near the entrance to your home.
