ACKNOWLEDGEMENTS

The UVM Extension Northwest Crops and Soils Program would like to thank the Eastern Soybean Region Board for the funding for this trial. We would also like to thank Roger Rainville and the staff at Borderview Research Farm for their generous help with this research trial. We would like to acknowledge Anna Brown, John Bruce, Kellie Damann, Catherine Davidson, Hillary Emick, Lindsey Ruhl, Laura Sullivan, and Sophia Wilcox Warren for their assistance with data collection and entry. We would also like to thank the seed companies for their seed and cooperation in this study. The information is presented with the understanding that no product discrimination is intended, and no endorsement of any product mentioned, or criticism of unnamed products is implied.

UVM Extension helps individuals and communities put research-based knowledge to work
