UNIVERSITY OF VERMONT Active Duty Call-Up Form

INSTRUCTIONS READ CAREFULLY

University Policy allows the student, in conjunction with their Dean's office to offer a student who is called up to active duty military to either get a 100% refund of the tuition and fees, to take an incomplete for the course(s) or to receive a grade for the course as of this point in time. This can be done on a course by course basis. The financial adjustment will be calculated on an individual basis.

If you are a financial aid recipient, be aware that either change, may result in a significant change to your financial aid. If you have any questions, consult Student Financial Services.

This form needs to be returned to the Registrar's Office.
