What are the priority areas within this\*  
“ Break out Room Topic” space where we  
can develop more collaboration and  
partnerships?

Gender Market ng Commun ty Development Food Culture Farm ng and  
Hosp tal ty and Support for Agr tour sm

What types of environments or formats (conferences, virtual events, webinars etc.) would support or help to develop additional collaboration?

How can inter or trans disciplinary - i.e.,  
sustainable agriculture and tourism  
professionals and academics- collaboration  
contribute?

How can international collaboration contribute and what types of supports are necessary to develop this?

What is needed at the local/regional levels and what types of support are necessary to develop this?

What are the next steps to strengthen collaborations for you as a group and individually?
