

Perennial Internship Program – Summer 2025

Internship Position Description

Lake Champlain Sea Grant Program Assistant

UVM Forestry Lab, 705 Spear St., and sites around Burlington with occasional statewide travel.

The [Green Infrastructure Collaborative](#), part of Lake Champlain Sea Grant (LCSG) in the Rubenstein School, is seeking a student intern to work with us this summer. The mission of LCSG is to “develop and share science-based knowledge to benefit the Lake Champlain Basin.” The primary goal will be contributing to the [BLUE Stormwater Program](#) that operates in partnership with municipalities and several consultants. The program is a residential stormwater site assessment program that collaborates with residents to identify opportunities for stormwater mitigation, affect behavioral changes, and establish stewardship principles to protect our waters from water quality degradation. Site visits happen in person, but some remote work is possible.

This position involves managing all aspects of the site visits. This includes conducting initial property owner recruitment, scheduling, site background research, providing program participants with advice and suggestions regarding residential stormwater management, and developing, delivering, and evaluating outreach materials and the overall program.

In addition to BLUE, there will be opportunities for the intern to participate in other outreach programs hosted by LCSG staff. This includes [Little Lake Lessons](#) on Colchester Causeway, updating outreach materials ([green infrastructure bike tours](#)) and/or an independent project that aligns with LCSG programming and the intern’s

Rubenstein students currently in their sophomore and junior years are eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required. *

Internship:

- Click on your name at top right of screen in Handshake
- Select Documents.

5. Please upload all documents as PDFs. The following are the required documents:

- Resume
- Cover Letter
 - You should write and upload a unique cover letter for each position to which you are applying.
 - In your cover letter, provide the name & contact information for at least one professional reference. This could be someone who supervised you in a past work/internship/volunteer position, or a professor or teacher, etc. The person listed should not be the person who completes your recommendation form.

6. In addition to the documents listed above, a

recommendation form is required. When you ask your recommender if they are willing to complete the form to support your application, please provide your recommender:

- This link: [RECOMMENDATION FORM](#)
- Only one recommendation form needs to be completed regardless of how many Perennial Internships you are applying for.
- Your recommender will complete & submit this form online and then your recommendation will be confidentially added to your application(s). This recommendation form needs to be submitted by the February 7th, deadline.

7. Make sure that your resume and cover letter(s) are as strong as they can be! Utilize the resources around you:

- Get your resume and cover letter reviewed by a Career Counselor at the Career Center. You can check the Career Center's drop-in hours [here](#). The Career Center also offers a guide on building your resume available [here](#).
- Set up an appointment with one of Rubenstein's Career Coaches - [Emily LeForce](#) or [Cathy Shiga-Gattullo](#) - or with PIP Coordinator, [Sarah Mell](#). Sarah Mell will also be available on Wednesdays from 1pm-3pm for PIP Drop-ins! Just swing by Aiken 220 to connect!

Rubenstein students currently in their sophomore and junior years are eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required. *

8. If you are selected to interview for a Perennial Internship, you will be contacted by the site to set up an interview during late February to early March.

Rubenstein students currently in their sophomore and junior years are eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required. *
