- x Residential staff believes that a student may be missing based upon absence from University Housing or other information received by staff.

While an unexplainable absence of more than 24 hours gives rise to heightened concern, a student may be determined to be missing even if the student has been absent for a period of less than 24 hours

Missing Student Contact: The person, designated by the Missing Student, will be notified in the event a residential student is ever determined to be a Missing Student. Only authorized campus officials and law enforcement officers, in furtherance of a missing person investigation, may have access to this information. Missing student contact information is separate and distinct from emergency contact information, which may be used by authorized campus officials in a variety of circumstances. Students may choose to identify the same person.

Missing Student Investigation and Contact Protocol - Residential Students

Upon notification that a residential student is or may be missing, University Police Services shall respond

Training/Education

Training will be provided on an as-needed basis as determined by the Approval Authority or the Responsible Official.
