[EV Charging Stations](#) – over 20 opportunities to charge on campus.

[Annual Parking Permit](#) – lots assigned based on work address.

We are a University, and academic communities value their responsibility to uphold free speech, academic freedom. 52 -1 (ca)-1g.

2. See something – say something. Reports are not to “get someone in trouble.” Rather, they provide an opportunity to help someone – and the broader campus community – before trouble occurs. Early recognition and intervention are the best options.
3. Download and familiarize yourself with the LiveSafe app.
4. Share this information with your friends and colleagues.

For reporting options, beyond direct threats or emergencies, visit our [Unified Campus Reporting Portal](#).

For additional details about reporting threats and concerning behavior please visit our [threat recognition and reporting page](#).
