

Getting a goat!

1. Why do you want to raise goats? _____

2. What do you feed goats and where can you find your supplies? _____

3. What breed of goat do you want and why? _____

4. Where do you find the breed you chose? _____

5. What kind of fencing and housing do you need? _____

6. Do I have a veterinarian in my area that would help me if my goats were sick, hurt or needed a health check? _____

7. How much would this all cost? _____

Search the internet, read books, interview a veterinarian, and a goat breeder. Talk to your parents or your relatives and contact the breed association. What facts did you learn by doing your research?
