COVID-19 Statement

Due to COVID-19 we advise that a student feeling any symptoms should get checked out before attending an in-person class or lab. Keep in mind that if a student attends an in-person class or lab and tests positive for COVID-19 that they are putting other students at risk and their possibly quarantine as well. When in doubt, go get tested. The [Green and Gold Promise](#) clearly articulates the expectations that UVM has for students, faculty, and staff to remain compliant with all COVID-19 recommendations from the federal CDC, the State of Vermont, and the City of Burlington. This include following all rules regarding facial coverings and social distancing when attending class or lab. If you do not follow these guidelines, you will be asked to leave the room. If you forget your mask, you cannot enter the room and should go back and retrieve your mask. [The Code of Student Conduct](#) outlines policies related to violations of the Green and Gold Promise. Sanctions for violations include fines, educational sanctions, parent notification, probation, and suspension.
