Academic Integrity:

The policy addresses plagiarism, fabrication, collusion, and cheating

The Center for Student Conduct has created several modules to help students learn about UVM's Academic Integrity Policy, definitions, and process. The modules include brief readings, videos, quizzes to check knowledge, links to resources, survey on students' beliefs about cheating, discussion board topics and an honor pledge. We encourage you to check out these resources and incorporate one of them into your courses. To preview the modules, self-enroll in the Blackboard Organization (CSC 001: Academic Integrity Faculty Resources). **Click here for directions for self-enrolling or reach out to Deana Garrett-Ostermiller (dgarett@uvm.edu) to request a zip file and instructions for importing into your Blackboard course. Information on the Academic Integrity Process for faculty can be found in the CEMS TEACHIMS Team/ Resources channel or by request. Contact Courtney Giles (cdgiles@uvm.edu) or Priyanka Wijesinghe (pwijesin@uvm.edu).**
