

---

, Advanced Independent Study in Studio Art; 3 Credits

Prerequisites:

faculty sponsor permission and contract required. If relevant, students should have exhausted their media options (taken a 3000-level course in the area they wish to pursue).

How to propose an independent Study:

1. Complete this form including a written proposal following the instructions below.
2. Email to a potential faculty sponsor, requesting their availability and consideration.
3. Respond to any request for more information, revisions, etc.
4. If approved by the faculty sponsor, ask them to sign, and then send the completed and signed form to the current Program Head of Art & Art History.

The Program Head considers final approval and can reject, approve, or request modifications to Independent Studies. Approved contracts will receive override permission for the course. Failure to file the contract with the Program Head during the enrollment period for the project semester may result in denial of registration permission.
