

Training to Implementation Gap Analysis

Presented by:

Nicole Richard

University of Rhode Island

Evaluation Workgroup

Goal:

- Identify knowledge gaps contributed to difficulties after taking the FSPCA PCHF training.

Objectives

- Develop PCHF training evaluation tool
- Promote regional usage
- Identify supports needed for compliance with PCHF rule

Evaluation Tool

- Workshop format
- Respondent job function
- Food(s) manufactured
- Compliance with FSMA PCHF rule
- Self-rated knowledge
- Topic areas for more information

- This data are intended to provide a regional picture of topic areas where workshop participants have difficulties.
- This data will be integrated with regional and national efforts to provide support to those impacted by the PCHF rule.

A blue pen is shown writing on a document. The background is a vibrant, abstract composition of overlapping geometric shapes in shades of purple, yellow, green, and cyan. The pen is positioned diagonally from the top left, with its tip pointing towards the center. The document it is writing on is partially visible, showing some faint lines and text.

Participation

- Summary of your workshop
- Summary of regional efforts
