

Request For Applications

**Vermont Space Grant and
Vermont NASA EPSCoR**

**2024 Faculty
Research Grant Program**

Released: January 4, 2024

- **Small-Scale Research Grants (VTSGC and Vermont NASA EPSCoR).** For more

Common sources of matching funds include in-kind cost-sharing, such as designated research effort during the academic year. Waived or differential tuition may not be used as cost share.

INSTITUTIONAL AUTHORIZATION: All applications must be approved by an authorizing official at the institution of origin. University of Vermont applicants must coordinate with their departmental representative from Sponsored Project Administration (SPA) and route applications through UVMClick. All other applicants must coordinate with the SPA equivalent at their institution and submit a subrecipient monitoring form. This form can be found at:

<https://www.uvm.edu/sites/default/files/Sponsored-Project-Administration/subrecipientcommitmentform.pdf>

APPLICATION PACKET: The completed application packet must include the following items:

1. Cover page (using template provided)
2. Project narrative (limit: 5 pages for *Small-Scale Research Grant*;
